WSU engineering students are paired with a mentor from Boeing who can provide information about the aerospace industry, opportunities at Boeing, and general career guidance. Students are expected to act in a professional manner at all times, to attend all scheduled events, and to be proactive in communicating with mentors. Students will also be expected to organize Boeing guest speaker events and teleconferences on campus for the general student population.

Program Requirements:
- Engineering Major
- Sophomore, Junior or Senior
- At least 2.5 GPA

Program Highlights
- Kick-off Luncheon & Tour of Boeing Facility
- Boeing Job Shadow Visit
- Mentor Day at WSU
- Career Guidance from a Boeing Professional
- Monthly Professional Development Workshops Hosted by Boeing
