Society Of Latino Engineers and Scientists presents:

Latino Parent Conference
Washington State University
Pullman, WA 99163
Friday, February 15, 2019

The SOLES Latino Parent Conference provides a full day of science and engineering related tours, hands on workshop, small group discussions and financial aid presentations in SPANISH and for free. The purpose of this conference is to provide Latino parents and their families with higher education awareness and to provide them with guidance in the college system. By doing this, we hope to be “Making College Dreams a Reality!”

Parents will receive advice and constructive feedback. They will have opportunities for networking as well as empowerment and confidence to be advocates for higher education in their own communities.

Please return form before- Sunday, Dec. 23, 2018

Requirements:
1. Only one parent and one child per family may attend
2. Must be a parent of a high school student and
3. Child must be of first generation college status.

***Will only accept completed registration forms***
