Application Deadline, Thursday, September 4th 2014

2014-2015
Boeing Mentorship Program

One-on-one mentoring with a Boeing professional

WSU engineering students are paired with a mentor from Boeing who can provide information about the aerospace industry, opportunities at Boeing, and general career guidance. Students are expected to act in a professional manner at all times, to attend all scheduled events and to be proactive in communicating with mentors. Students will also be expected to organize Boeing guest speaker events and teleconferences on campus for the general student population.

Applications available at Dana Hall 140
OR e-mail kasey@wsu.edu for a PDF version

THE BOEING MENTORSHIP PROGRAM 2014 – 2015

APPLICATION FORM

Name_____________________________________________________________________

Last    First    Middle Initial

Student ID __________________________      Class Standing ________________________

WSU Campus Location _______________   Major(s) ______________________________

Cumulative GPA (2.5 or above required) _______________   Minor ______________

Email ______________________________________   Phone # ______________________

Gender ______________   Expected Graduation Date ________________

Are you a Boeing Scholar?  ______________    Are you a US Citizen?  _________________

(Answering ‘no’ to either of the above questions will not exclude you from consideration for the mentorship program)

Note to Applicants: The Boeing Mentorship Program is not a pathway to employment at The Boeing Company. It is an opportunity to obtain career guidance from an experienced engineer in the aerospace industry.

PLEASE COMPLETE ITEMS 1 THROUGH 7 AND SIGN THE BOTTOM OF PAGE 2

1. Future Career Area of Interest

_____________________________________________________________________

_____________________________________________________________________

_____________________________________________________________________

2. Please identify your expectations of the program. What kind of help you would like to get? (Check all that apply)

□ Resume critique

□ Broaden networking circle

□ Career advice regarding chosen area

□ Learn more about Boeing and its culture

□ Develop a plan to achieve career goals

□ Interview skills enhanced

□ Skills in business etiquette

□ Learn about careers in the aerospace industry

□ Other: _________________________________________________________________

3. What are your strengths that will help you to be successful in the program?

_____________________________________________________________________

_____________________________________________________________________

_____________________________________________________________________
4. As a new part of the Boeing Mentorship Program, selected students will be required to organize and promote on campus presentations from Boeing mentors as well as Boeing teleconferences. Describe your skills and experience that you would rely on to help make these events successful.

5. What other commitments do you have? Would they hinder your participation in the program, and its’ activities?

6. Please write a brief paragraph which describes the interest you have in the Boeing Mentorship Program, and what this opportunity would mean to you. (attach on a separate page)

7. Please list at least 2 references (i.e., current or former professor, former boss, coach)
